

A REPORT ON POSTER MAKING ON HIV AND AIDS

On, 30th October 2025, the volunteers of NSS units of Kamala Devi Sohanraj Singhvi Jain College of Education held a poster making activity on the topic HIV and AIDS to spread awareness among students about this important health issue. The main aim was to educate student about the causes, prevention and care related to HIV and AIDS.

Many students took part and made creative Poster using bright colors, drawings and meaningful slogans like "Stop AIDS Spread Awareness". Their Poster showed how HIV spreads, ways to prevent it and the importance of kindness towards people living with HIV and AIDS.

Teachers guided the students and shared valuable information about health and safety. The activity helped students to learn correct facts, show empathy and express their idea creatively.

Overall, the poster making activity was very successful and informative. Its encouraged students to spread awareness and deliver the message – "Awareness is the best protection".
